21052 Busto Arsizio (VA) - Italia

The company

Saluzzo Yarns S.r.l.

Via Gramsci 5

13876 Sandigliano, ITALY

is granted authorization according to Oeko-Tex® Standard 100 to use the
Oeko-Tex® mark, based on our test report 1305123

Tested for harmful substances
according to Oeko-Tex® Standard 100

1305124.O

CENTROCOT

for the following articles:

Natural (raw) polyester yarn, yarn-died or dope-dyed in different colors, continuous and discontinuous, drafted and texturized and/or produced with recycled polymer (Newlife) or partly finished with biological active products accepted by Oeko-Tex (Bactershied) and/or partly produced with fibres having flame retardant properties (Stopfire) accepted by Oeko-Tex and/or added with active cocoon carbons (Cocona), with or without water-proof finishing, for Automotive Interiors (raw materials partly pre-certified according to Oeko-Tex Standard 100).

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 06.06.2014

Busto Arsizio, 10.06.2013

Dott. Grazia Cerini
General Manager
