The company

Filature Miroglio S.p.A.

Strada Tagliata 18

12051 Alba CN

is granted authorization according to Oeko-Tex Standard 100 to use the Oeko-Tex mark, based on our **test report 087687.0**

for the following articles:

- Continuous polyester yarns (basically flame-retardant and not) raw, white and dyed in various colours drawn, ply or textured and sized with polyester resin.
- Yarns of polyester fibre (basically flame-retardant and not), raw or sized with polyester resin.
(Produced with fibres accepted by Oeko-Tex® having flame retardant properties).
- Raw yarns of viscose, modal, Tencel and polyester (raw material pre-certified according to Oeko-Tex® Standard 100).

The results of the inspection made according to Oeko-Tex Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 19.10.2009

Busto Arsizio, 12.11.2008
